Our Offerings

Some time back we made the decision to stop with the traditional passing of the plate. It is not that we do not appreciate, or do not need the funds given in offering, no, like any other non-profit, it is the gifts received that make much of our ministry possible. Instead, we went to a fully free will format, the plate is set just inside the sanctuary as one enters to worship. This occasionally may cause some confusion, especially for visitors who desire to give something back in gratitude for all God's many blessings. For this we apologize, and if you are moved to make an offering simply hand it to the pastor as you leave, they will make sure it gets put with the rest. Blessings
